

# Equity, Diversity and Inclusion

---

Applicants must consider the type of research environment they will establish as research leaders who are responsible for leading, training and mentoring their team members; and they must demonstrate a strong commitment to the principles of equity, diversity and inclusion (EDI). Additional information can be found [here](#).

## **Analysis of Context**

Provide a short description of the EDI context of your team. The description should relate to the specific circumstances of your research team, environment, institution and/or field.  
(Maximum character count: 2500)

For **each of the sections that follow**: (A) outline at least one concrete practice that is/will be used to address one or more systemic barriers; and (B) explain how it applies to your team's specific context, how it has been/will be implemented, the anticipated impact it has had/will have, and how its impact(s) will be measured.

**Team composition and recruitment processes**

(A) Best practice(s) implemented: (maximum character count: 250)

(B) Relevance, approach, and expected impact: (maximum character count: 2500)

## Training and development opportunities

(A) Best practice(s) implemented: (maximum character count: 250)

(B) Relevance, approach, and expected impact: (maximum character count: 2500)

## Inclusion

(A) Best practice(s) implemented: (maximum character count: 250)

(B) Relevance, approach, and expected impact: (maximum character count: 2500)
